### The Grand Knight Report:

Lent is coming up. The fish fry time is a good time as Spring is on the way, winter is finally ending. Please volunteer for the fish fries. Louie is proud of all we do for the church and the community. He said the gospel reading reminded him of the Knights, that they do not cover their lights, but shine bright in all the work they do in the community and give glory to God.

"You are the salt of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled underfoot. No one after lighting a lamp puts it under the bushel basket, but on the lampstand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father in heaven" (**Matthew 5:13-16**)

3 Fish fries down, 3 to go.

“We all have different gifts according to the grace given to us. If it is a gift of prophecy, we should exercise it in proportion to our faith. If it is a gift of ministry, we should engage in serving others. If it is a gift of teaching, we should teach. If it is a gift of exhortation, we should encourage. Whoever gives alms should do so generously; whoever leads should do so conscientiously; whoever performs acts of mercy should do so cheerfully.

A Truly Sincere Love. Let your love be sincere. Loathe what is evil and hold fast to what is good. Love one another with genuine affection. Esteem others more highly than yourself. Do not be lacking in zeal, but serve the Lord with spiritual fervor. Be joyful in your hope. Be patient in times of affliction. Persevere in prayer.

Contribute to the needs of the saints, and practice hospitality.”
